Heaven, or the heavens, is a common religious, cosmological, or transcendent place where beings such as gods, angels, spirits, saints, or venerated ancestors are said to originate, be enthroned, or live. According to the beliefs of some religions, heavenly beings can descend to earth or incarnate, and earthly beings can ascend to heaven in the afterlife, or in exceptional cases enter heaven alive.

Exposing the climate geoengineering cover-up. With all the above information considered (along with other geoengineering studies and solar radiation management reports drafted by Douglas MacMartin), the dialog shown below becomes very relevant. It is a full transcript of my very recent communications with Douglas MacMartin in which he compares "believing" that geoengineering is already ...
