We spent 54 hours researching 115 board games and playing 13 top contenders with 18 people to find some of the best board games for adults. In the process, we consulted Wirecutter staffers, surveyed seven game experts and enthusiasts, and interviewed four board game experts: a clinical psychologist and neuroscience researcher turned owner of board game café The Brooklyn Strategist, a ludology ...

The Best Beginner Board Games for Adults for 2018: Reviews

Game theory is the study of the ways in which interacting choices of economic agents produce outcomes with respect to the preferences (or utilities) of those agents, where the outcomes in question might have been intended by none of the agents. The meaning of this statement will not be clear to the non-expert until each of the italicized words and phrases has been explained and featured in some ...
