There are conflicting explanations of the origin of the word "football". It is widely assumed that the word "football" (or the phrase "foot ball") refers to the action of the foot kicking a ball. There is an alternative explanation, which is that football originally referred to a variety of games in medieval Europe, which were played on foot.

Third-Party Ownership (TPO) in association football is the ownership of a player's economic rights by third-party sources. The third-partyâ€”which can be an agent such as a football agent, an agency, such as a sports-management agency, a company, investors such as a hedge-fund, or a single investorâ€”takes ownership of all or part of the financial rights to a player".

We, all of us, are rapidly running out of time. If the biosphere is not soon freed from the ongoing global climate engineering assault, there will very soon be nothing left to salvage of our once thriving planet.. Photo credit: Oregon Air National Guard. If we are to have any chance of altering our current course in time to make a difference, the effort will take all of us.
