Gontran de Poncins was an aristocrat who became bored with the business world and remade himself as a traveling journalist-adventurer.

Kabloona: Among the Inuit â€“ Fat Head

In the summer of 1938, the Frenchman Gontran de Poncins traveled beyond the "Barren Lands" north of the Arctic Circle to Kind William Island, an island of 10,000 square miles. The entire population of the island consisted of 25 Eskimos, their primitive lives untouched by the civilization of the white man.
