The 2009 American science fiction film Avatar has earned widespread success, becoming the highest-grossing film in history. The blockbuster has provoked vigorous discussion of a wide variety of cultural, social, political, and religious themes identified by critics and commentators, and the film's writer and director James Cameron has responded that he hoped to create an emotional reaction and ...

America on the Move explores the role of transportation in American history. Visit communities wrestling with the changes that new transportation networks brought. See cities change, suburbs expand, and farms and factories become part of regional, national, and international economies. Meet people as they travel for work and pleasure, and as they move to new homes.
