FOOD AND DRUG ADMINISTRATION PROGRAM 7356.002F COMPLIANCE

Introduction This guide provides practical information on managing the risk of injury from manual handling activities in the healthcare sector. The objective of providing such information is to ensure that manual handling

Guidance on the Management of Manual Handling in Healthcare

Highlights: Financial institutions often rely upon third parties to perform a wide variety of services and other activities. An institution's board of directors and senior management are ultimately responsible for managing activities conducted through third-party relationships, and identifying and controlling the risks arising from such relationships, to the same extent as if the activity were ...
