American Math Forum (AMF) A private activity promoting informed thought and action in American P-12 mathematics education reform and advocacy. AMF serves as a platform for distribution of local and national news and information, discussion and networking to support a broad range of activities in K-12 mathematics advocacy and reform at the local, state and national levels.

NYC HOLD National on Mathematics Education Reform

"I know that most men, including those at ease with problems of the greatest complexity, can seldom accept even the simplest and most obvious truth if it be such as would oblige them to admit the falsity of conclusions which they have delighted in explaining to colleagues, which they have proudly taught to others, and which they have woven, thread by thread, into the fabric of their lives."
