Heaven, or the heavens, is a common religious, cosmological, or transcendent place where beings such as gods, angels, spirits, saints, or venerated ancestors are said to originate, be enthroned, or live. According to the beliefs of some religions, heavenly beings can descend to earth or incarnate, and earthly beings can ascend to heaven in the afterlife, or in exceptional cases enter heaven alive.

Heaven - Wikipedia

Heaven is the place where God dwells. It is a location that is wholly spiritual in nature. Christianity defines heaven as being in the presence of God with places prepared for the faithful by Jesus and is viewed as eternal bliss beyond that which can currently be known.
