You may be able to find your test results on your laboratory's website or patient portal. However, you are currently at Lab Tests Online. You may have been directed here by your lab's website in order to provide you with background information about the test(s) you had performed.

Prealbumin - Lab Tests Online

How is it used? Until recently, the prealbumin test was believed to be a useful marker of nutritional status and was used to help detect and diagnose protein-calorie malnutrition as well as to monitor people receiving total parenteral nutrition (TPN, getting nutrition via a solution injected into a vein).

Vitamin K is a nutrient that the body requires in small, regular amounts. It is essential for the formation of several substances called coagulation factors as well as protein C and protein S that work together to clot the blood when injuries to blood vessels occur and to prevent excessive clotting. Insufficient vitamin K can lead to excessive bleeding and easy bruising.
