The Children and Family Court Advisory and Support Service (Cafcass) is a non-departmental public body in England set up to promote the welfare of children and families involved in family court. It was formed in April 2001 under the provisions of the Criminal Justice and Court Services Act 2000 and is accountable to Parliament through the Ministry of Justice.

Results. This review finds that children and adolescents living with domestic violence are at increased risk of experiencing emotional, physical and sexual abuse, of developing emotional and behavioral problems and of increased exposure to the presence of other adversities in their lives.

### **The impact of exposure to domestic violence on children**

FGM is an inhuman act which affects a girl's biological make-up. As a girl I strongly believe that I have the responsibility to protect young girls from this act. Women and men should be made aware of the fact that living free of violence is a basic human right.
