The Honorverse refers to the military science fiction book series, its two sub-series, two prequel series, and anthologies created by David Weber and published by Baen Books. They are centered on the space navy career of the principal protagonist Honor Harrington. The books have made The New York Times Best Seller list.

Honorverse - Wikipedia

Due to the actions of the High Ridge government in War of Honor, which led to a successful attack on key Alliance shipyards by the Republic of Haven, the Star Kingdom of Manticore finds itself decidedly on the short end of the strategic balance between the two warring star nations. Admiral Honor Harrington is placed in command of Eighth Fleet, the Manticoran Alliance's primary offensive force ...

Being a guy who writes science fiction, people expect me to be well-informed about the current state of the field – as if I'm a book reviewer who reads everything published in my own approximate area. (This is a little like expecting a bus driver to have an informed opinion on every other form of ...
