Critical theory is the reflective assessment and critique of society and culture by applying knowledge from the social sciences and the humanities. As a term, critical theory has two meanings with different origins and histories: the first originated in sociology and the second originated in literary criticism, whereby it is used and applied as an umbrella term that can describe a theory ...

Hello! You have landed on this page because you were heading for one of the old websites made by me, David Gauntlett, in the distant past. Most of the stuff on sites like theory.org.ukTM and newmediastudies.comTM was 12-20 years old, and I kept it all on the internet for a long long time in case anybody really needed it, but I think that time has now gone.

David Gauntlett | Welcome!
