Sharp Football Analysis

1. Aims and Methods of Moral Philosophy. The most basic aim of moral philosophy, and so also of the Groundwork, is, in Kant's view, to seek out the foundational principle of a metaphysics of morals, which Kant understands as a system of a priori moral principles that apply the CI to human persons in all times and cultures. Kant pursues this project through the first two chapters ...

The multinational technology corporation Apple Inc. has been a participant in various legal proceedings and claims since it began operation and, like its competitors and peers, engages in litigation in its normal course of business for a variety of reasons. In particular, Apple is known for and promotes itself as actively and aggressively enforcing its intellectual property interests.
