The lower part of the castle was hollowed into several intricate cloisters; and it was not easy for one under so much anxiety to find the door that opened into the cavern. An awful silence reigned throughout those subterraneous regions, except now and then some blasts of wind that shook the doors she had passed, and which, grating on the rusty hinges, were re-echoed through that long labyrinth of darkness.

Chapter I | The Castle of Otranto | Horace Walpole

Unfortunately, The Castle of Otranto is far from great literature. It is too stuck in its era to be considered effective and, structurally speaking, it is dreadful. It is too stuck in its era to be considered effective and, structurally speaking, it is dreadful.
