

the future of work pdf

Workforce of the future: The competing forces shaping 2030 2 Contents PwC's global People and Organisation practice brings together an

Workforce of the future - PwC

We are living through a fundamental transformation in the way we work. Automation and 'thinking machines' are replacing human tasks, changing the skills that organisations are looking for in their people. But what will the future look like? This isn't a time to sit back and wait for events to unfold.

Workforce of the future - The competing forces shaping

Work is modeled as a capability and can be provided as a service by some organization. A desired business outcome can then be described by its required capabilities.

(PDF) The Future of Work - ResearchGate
