In ghostlore, a haunted house or ghosthouse is a house or other building often perceived as being inhabited by disembodied spirits of the deceased who may have been former residents or were familiar with the property. Parapsychologists attribute haunting to the spirits of the dead and the effect of violent or tragic events in the building's past such as murder, accidental death, or suicide.

Foreword. This game originally came out in the late 70's and early 80's. It was released by Radio Shack for the TRS-80 Model I or Model III.. Since I'm a huge fan of adventure games.... and this is one of the few I first played on my first computer during my Chirstmas break from high school in 1980.My parents had purchased the Model III as my Chirstmas present and Haunted House was included ...
