discover some idealistic excuse to put before the other nations when occupied with any infringement of recognised law. This is a fact of great significance to the Hierarchy for it indicates a point reached.

## **THE DESTINY OF THE NATIONS**

The Nation State: An Essay Summary Summary A state is a territorial political community for which there is an independent organised Government. A nation state is a state whose primary loyalty is to a cultural self-identity, which we call a nation or nationality, and is now the predominant form of state organisation.

### **The Nation State**

10Recently, state-building and nation-building have sometimes been used interchangeably. However, state-building generally refers to the construction of state institutions for a functioning state, while nation-building the construction of a national identity, also for a functioning state.

PRAISE FOR Why Nations Fail – Acemoglu and Robinson have made an important contribution to the debate as to why similar-looking nations differ so greatly in their economic and political development. Through a broad multiplicity of historical examples, they show how institutional developments, sometimes based on very accidental circumstances, have
