Although the genre is very old, the romance novel or romantic novel discussed in this article is the mass-market version. Novels of this type of genre fiction place their primary focus on the relationship and romantic love between two people, and must have an "emotionally satisfying and optimistic ending." There are many subgenres of the romance novel, including fantasy, historical romance ...

Form. Unlike the later form of the novel and like the chansons de geste, the genre of romance dealt with traditional themes. These were distinguished from earlier epics by heavy use of marvelous events, the elements of love, and the frequent use of a web of interwoven stories, rather than a simple plot unfolding about a main character. The earliest forms were invariably in verse, but the 15th ...
