Moonie is a pejorative term sometimes used to refer to members of the Unification Church. It is derived from the name of the church's founder Sun Myung Moon, and was first used in 1974 by the American media. Church members have used the word "Moonie", including: Moon himself, President of the Unification Theological Seminary David Kim, and Moon's aide and president of The Little Angels Children ...

Intelligent advertising is widespread. Personalised adverts similar in style to those of Minority Report are becoming widespread by the end of this decade. \* Microsensors embedded in posters and other outdoor media can identify people by chips in their wallet, smartphone or other personal/wearable tech. Adverts are then customised depending on the interests and lifestyle of the person in question.
