

the politics of love pdf

Politics (from Greek: ἡ πολιτική , translit. Politikḗ , meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...

"Politics" is an essay written by Ralph Waldo Emerson. It is part of his *Essays: Second Series*, published in 1844. A premier philosopher, poet and leader of American transcendentalism, he used this essay to belie his feelings on government, specifically American government. His impact on New England thought and his views on pragmatism influenced the likes of Henry David Thoreau, Orestes Brownson ...

The answer is that love is unconditional selflessness, BUT that is a truth we couldn't safely admit until we could explain the HUMAN CONDITION explain WHY our human behaviour has often been so competitive, selfish and aggressive, so seemingly unloving. It follows then that the real issue behind the question of what is love has been the issue of the human condition.
