man the abolition of religion? The Jewish question acquires a different form depending on the state in which the Jew lives. In Germany, where there is no political state, no state as such, the Jewish question is a purely theological one. The Jew finds himself in religious opposition to the state, which recognizes Christianity as its basis.

On the Jewish Question - Marxists Internet Archive

Just like male privilege and white privilege don't mean that all men or all white folks are bad people, discussing Christian privilege isn't an attack on Christianity itself. I'm well aware that many Christians are good people who'd never mean to ostracize others for their religious beliefs.
