Itâ€™s the same one that has threatened Canadian unity since the countryâ€™s genesis: the status of the majority-French province of Quebec within Canadaâ€™s majority-Anglo confederation. But due to a series of political gambits recently launched by Quebec separatists, this age-old issue now comes with a new and disturbing post-9/11 twist.

speaking province of Quebec. After more than one hundred years of membership within the Canadian federation, the Parti QuÃ©bÃ©cois, the ruling party, is now calling for the political independence of Quebec. It feels that only through political independence can it ensure the continued survival and prosperity of Quebec's French cul- ture.
