This chapter follows the Nabokov family to Crimea, where it took refuge in 1917 before the Bolshevist takeover. There Nabokov, while getting to know his cousins Vladimir and Sergei, was instructed by the quirky composer Vladimir Rebikov. Forced by the civil war into exile, the family left Russia in the spring of 1919, settling first in Athens.

The themes of exile and the road are part of what make *Lolita* a strong contender for the title of "The Great American Novel." The U.S. has always been a nation of immigrants, adventurers and exiles, and its history has been marked by internal migration and uprooting on a vast scale. Exile is one of the great themes of Nabokov's novels.

Excommunication, like revenge, is best served cold. Mine was "cold and quick on a clear autumn day. Excommunication! The word resonates like the bell of a gothic cathedral and seems as anachronistic as a rank of grinning gargoyles, as rebel monks, warrior popes, or heretics burning in a town square. It is a rite one might suppose had been relegated long ago to a footnote beyond the margins of ...
