This paper is the first in a series of short pieces from Demos concerning the dynamics of social exclusion and the relationship between individual instances of hostility towards people of color in the United States and how that hostility is powered by our policy choices.

Social Exclusion: The Decisions and Dynamics that Drive

Group dynamics is a system of behaviors and psychological processes occurring within a social group (intragroup dynamics), or between social groups (intergroup dynamics). The study of group dynamics can be useful in understanding decision-making behaviour, tracking the spread of diseases in society, creating effective therapy techniques, and following the emergence and popularity of new ideas ...
