The second briefly describes the structure of the Psalter. The third elaborates the motif of praise. In the fourth place I amplify the first section by elaborating a further and more pivotal factor inhibiting psalmic praise nowadays, namely, the social construction of integrative symbolic world-views.

Glory to God! An Exegetical Study of Psalm 8 The incredible words of Psalm 8 thrust us backward to the time when God created the heavens, the earth, the creatures of land, sky, and sea, and finally, male and female in His image. Our attention is drawn to the scene prior to man’s fall, when that first Adam was created good and upright, without sin.

b) vow of praise, worship. VI. Doxology: blessings, praise. The function of a Lament or Psalm of Petitionary Praise (Westermann), is to provide a structure for crisis, hurt, grief, or despair; to move a worshipper from hurt to joy, from darkness to light, from desperation to hope. This movement from hurt to joy is not a psychological or liturgical experience only, although it includes those.
