The Wood Beyond the World. The Wood beyond the World is a fantasy novel by William Morris, perhaps the first modern fantasy writer to unite an imaginary world with the element of the supernatural, and thus the precursor of much of present-day fantasy literature. His use of archaic language has been seen by some modern readers as making his fiction...

Analysis. The Wood Beyond the World is set in what is best described as an idealized medieval world, a world of great deeds, beautiful maidens, evil villains, sword-bearing warriors, and kings and queens. Golden Walter's world is not precisely that of the Middle Ages. The most obvious difference is the element of magical power possessed by...
