This is a list of atheists in science and technology. Persons listed are individuals who have publicly identified themselves as atheists or have been historically known to be atheists, and whose atheism is relevant to their notable activities or public life. A mere statement by a person that he or she does not believe in God does not suffice.

William Lane Craig is a prolific Christian philosopher, apologist, author, and public debater. He is the best debater "on any topic" that I've ever heard. As far as I can tell, he has won nearly all his debates with atheists. When debating him, atheists have consistently failed to put forward solid arguments, and consistently failed to point out the flaws in Craig's arguments.
