16 | THINK like your DOG And the next time you are approached by a handler whose dog walks calmly at his side, looking up to take direction, and then perhaps greets you calmly and politely, think about the principle. Let me repeat it one time for emphasis: In every dog-and-handler team, without exception, there is a leader and there is a follower.

It is interesting to learn to interpret a dog's action into "what they are probably thinking". But thinking like a dog is only part of the picture. Acting in proper relation to your dog's "thoughts" is the part any humans struggle with. So my current solution is to Think Like A Dog, but to react back at the dog with the best guidance I can offer.
