

through no fault of pdf

No-fault divorce is a divorce in which the dissolution of a marriage does not require a showing of wrongdoing by either party. Laws providing for no-fault divorce allow a family court to grant a divorce in response to a petition by either party of the marriage without requiring the petitioner to provide evidence that the defendant has committed a breach of the marital contract.

No-fault divorce - Wikipedia

In its broadest sense, no-fault insurance is any type of insurance contract under which insureds are indemnified for losses by their own insurance company, regardless of fault in the incident generating losses. In this sense, it is no different from first-party coverage. However, the term "no-fault" is most commonly used in the context of state/provincial automobile insurance laws in the United ...
